

Tribe Medical Group Inc receives 2013 Canadian Excellence Award

May 21st, 2014 – The US Trade & Commerce Institute (USTCI) has selected Tribe Medical Group Inc for the 2014 Canadian Excellence Award amongst all its peers and competitors.

Each year the USTCI conducts business surveys and industry research to identify certain international companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Companies of this caliber enhance the consumer driven stature that the Canadian economy is renowned for.

Tribe Medical Group Inc has consistently demonstrated a high regard for upholding business ethics and company values. This recognition by USTCI marks a significant achievement as an emerging leader within various competitors and is setting benchmarks that the industry should follow.

As part of the industry research and business surveys, various sources of information were gathered and analyzed to choose the selected companies in each category. This research is part of an exhaustive process that encapsulates a yearlong immersion in the business climate of the Canadian economy.

About USTIC

The USTCI is a leading authority on researching, evaluating and recognizing companies across a wide spectrum of industries that meet its stringent standards of excellence. It has spearheaded the idea of independent enterprise and entrepreneurial growth allowing businesses of all sizes to be recognized locally and encouraged globally.

Particular emphasis is given to meeting and exceeding industry benchmarks for customer service, product quality and ethical practices. Industries leading standards and practices have been developed and implementation of the same has been pioneered by the dedicated efforts of the business community and commerce leadership.

“Congratulations to the Tribe Medical Group Inc.’s ownership team of Gordon McArthus and Chris Johnson along with their entire internal and external employees. Your efforts to put patient outcomes first... in everything you do are making a difference.”
